Recognition/Appreciation of Guest Reviewers—2004

The success of the Journal of Forensic Sciences (JFS) depends both on the quality of the manuscripts submitted and of the peer reviews performed by both Editorial Board Members and Guest Reviewers. I would like to offer my thanks to all who have assisted JFS in the review process. In appreciation of all the efforts of the Guest Reviewers in 2004 I have listed them in this issue of JFS.

In addition I would like to recognize Ms. Colleen Wade of the FBI Laboratory who has coordinated the many reviews performed by that organization throughout 2004.
